

Here's a letter from "you" to your CHET plan account that will help make this your best savings year ever!

Dear CHET college savings account,

As a new school year begins I have set a few goals. I will add to my back-to-school "to-do" list:

- Make extra contributions to my account a priority.
- Set-up an automatic contribution plan (ACP), immediately.
- Ask family and friends to contribute by utilizing the **eGift** feature on the plan's website. It's easy and secure.
- Stay the course and invest often for college. Keeping my goals in sight will help us achieve.

Yours truly,

Motivated College Saver
